Coaches & Swimmers are required to maintain social distancing at all times.

Assisted Self Marshalling

WWSC will implement Assisted Self Marshalling at this Meet as per the procedures below:

- Swimmers are responsible for being ready to take their position on the starting platform or in the water when whistled up by the Referee.
- Swimmers will self-marshall with assistance. Check Starters will be available to assist, support and direct swimmers on the pool deck. The Clerk of Course in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program
- Copies of race sheets will be made available at the venue.
- Swimmers should **report to the marshalling area, then move behind the block as instructed** for their event, as per the following process.
- In order to avoid congestion and ensure social distancing, please note that swimmers need only be available to enter the marshalling area or area behind the blocks:
 - **four (4) heats prior** to their heat for 50m, 100m and 200m events.
 - For events 400m and more, **two (2) heats prior** to their event.
- **The first heats of sessions should report 10 minutes prior to the scheduled start time.**
- After the start of the previous heat, swimmers may progress to the area behind the block without causing any interference to Technical Officials. Swimmers are expected to be at this position ready for the whistles to start their heat.
- Leniency will be employed by Referees whilst this process is initially implemented. If a swimmer misses their heat, they must alert a Technical Official and they will be placed in a spare lane if, it becomes available.
- The Referee will ultimately make decisions as to entitlement to swim.
- There will still be a Marshalling area setup with two (2) rows of chairs (In case there is a need revert to full Marshalling).
- We will have some Clerks of Course (Technical Officials) in the Marshalling area to assist swimmers if needed. These Officials will be available for Athletes, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.
- Swimmers will need to leave any clothing so it is able to be collected without re-entering the competition area after their event.
- Where a swimmer has entered, but will not be in attendance for a day, or the whole meet, the Records should be advised prior to the commencement of the day's competition.

WWSC will monitor all relevant guidelines, health directives and restrictions and will communicate any updates to event attendees through email, social media and the SNSW website.
